Joanna Betts

Personal Profile

I graduated in Fine Art and have recently been working as a freelance Designer. I have produced illustrations for a cookbook in the United States. I aspire to be a songwriter.

Main Qualification

2007-08 BA Hons Fine Art (2.1)
 Computer Aided Design (1st), Dissertation (2.1)

Work Experience

2008 - Digital Transferor
1999 - Waitress (Part Time)
2004 - 2009 Midday Supervisor (Part Time)

Skills

I have a strong confidence in Information Technology. Since taking my Fine Art degree, I have increased my knowledge in Photoshop, Indesign and I now have the ability to use Adobe Soundbooth with ease.

Interests and Activities

I am a songwriter and have recently recorded one of my songs professionally. This is my dream - another area of my career I would like to improve in the future. I can use various recording software for example Garageband. I have illustrations in a cookbook in the United States. I was able to keep to a strict deadline to produce the hundred images requested.
